

Dear Commander,

My name is Steven Morris, and I am a Recruiter for Humboldt Storage & Moving located at 100 New Boston Drive in Canton, MA.

I am writing to you in an official capacity where I am co-managing a corporate project, where we are offering employment opportunities to military personnel. So far, and early on in the project, we have been fortunate enough to be connected with key individuals within the National Guard, where we have been put in touch with commanders of Camp Curtis Guild in Reading and the Taunton Armory, where we have met many interested soldiers and are developing those relationships. The key is to bring full time employment, corporate benefits and stability to these individuals as they re-enter our communities.

Our objective is to establish a Military moving company under Humboldt Storage & Moving. We are seeking current Servicemen, Veterans, Members of your VFW Post, Members of their Families or Friends that are seeking full or part time work. Military candidates will assist us in bringing our company to the next level of success into the future.

We are offering full-time and part-time opportunities. For full-time opportunities, corporate benefits will be available after 90 days of employment. Employment could be six days per week full time from Monday - Saturday and part-time could be as little as two – three days per week on a consistent basis.

We have the following opportunities available on a consistent basis:

Warehouse Team Members

Moving Crew Team Members

Truck Drivers/Movers

Logistics

Operations

We, as a firm, value and are very thankful for your service to our Nation. We are seeking to honor our Current Military Members, our Veterans and their Families, by providing employment opportunities.

If you should have any contacts with Military organizations that I may present our opportunities to, please let me know.

Thanking you again for your Service to our Nation and if you have people that may be interested, have them email me or call me and I will be happy to talk with them

My best,

Steven Morris
